Term 4 Week 2

20th October 2016

Principals Message from my desk

Today we have had around 60 students from Mt Austin PS in Wagga participate in our Wiradjuri Educational Experience. I am very proud of our school leaders who are capably assisting the presenters. A special thanks goes to the indigenous students from Gundagai HS who are using their Wiradjuri Leadership skills to help out today as well. The relationship we are developing with Gundagai High is very important to us in being able to have effective delivery of our programs.

On Monday I attended the AGM of the Tumut Area AECG. This was a well attended meeting and I acted as returning officer for the election of Office Bearers. The executive for this year is Sue Bulger President, Melissa Bradshaw Vice president, Winnie Bulger secretary, Stan Russell Treasurer, Coral Bulger Delegate to Regional Council. On Wednesday next week I will be attending the Life Well at School Conference at Narrandera. Mr Till will be here as usual.

Yesterday we received notification of our funding for 2017. After having a look at the figures last night it appears as if we have had a substantial increase to

this year's funding which is very welcome in terms of being able to maintain our present staffing and allow scope for further improving our students' outcomes.

Regards,

Jen Lawlor, Principal

'USE PAST KNOWLEDGE'

This means we use the skills we already have to learn new things!

Science this Week

This week we built towers with newspaper rolled up and sticky tape. It was fun. By Rhianna
