Term 1 Week 4

21 February 2019

Principal's Message

Dear Parents,

Welcome back to another fantastic year! This is the first opportunity we have had to say hello after the phones and photocopier were taken out by lightning.

We are so pleased to see the big smiles on our returning students and those of our new Kindies!

Changes to Learning Spaces

The school is already going through some transformational change as we have swapped the Library and Classroom areas. This will enable us to utilise the learning spaces more effectively. Miss Kerr will retain her room to use with small focus groups.

Morning Routine

Upon arrival, students place their bags in the weather shed, take out fruit for sharing and their drink bottles. Equipment will be available for both quiet and active interests, including the sandpit and tennis court. Classrooms will remain locked in the mornings to allow teachers to set up learning activities for the day. Unfortunately, the playground is out of bounds due to storm damage. We have had the area assessed by DET Assets who are doing their best to make it a safe area once again.

Assemblies

Stay tuned for assemblies this year! We will have one in Week 7 this term, date to be confirmed, and then two per term after that. This will be a wonderful opportunity for students to celebrate their learning with their families.

Planned Building Repairs

You will have noticed fencing around the Cultural Centre. The roof on this building is being replaced, followed by the Library, and works should be completed by the last week of March. Students have adapted to the changes beautifully; parents and carers are asked to be mindful that children will be walking along the fence across the top of the driveway. Delivery and work trucks will also be entering our school so please take care.

P&C Meeting

I look forward to seeing you at next week's P&C Meeting. I will explain the direction we are heading this year, give you examples of how we use our learning spaces and discuss future improvements to our school.

I am looking forward to a great year,

Annette Hartley

SWIMMING

We are all having fun at the pool

The Brungle Tumut Local Aboriginal Lands Council have kindly offered their bus to us for swimming lessons at Gundagai for the next two weeks. Uncle Neil Bulger will be giving us his time to get us to and from Gundagai pool on Monday & Tuesday.

We will put more pics in next week's newsletter of the Hogs for the Homeless visit.

HAPPY 6th Birthday to Caleb today!
