Term 1 Week 10

4 April 2019

### Principal's Message

Dear Parents and Caregivers,  
Well, we are all in disbelief that the end of the term is just around the corner! Our Kindies have settled in and it seems as though they have always been part of our beautiful school. Our older students have been continually improving in their application to learning in both collaborative and individual tasks. Being settled, having high expectations and trying difficult tasks is all part of our growth as life-long learners.

#### Parking

The safety of our school is a priority and I sincerely thank all parents for continually reminding their children of the improved procedures. The Work Health and Safety Consultant, Cheryl McKee, visited last week and was very happy to witness positive changes.

#### Staffing Changes

Miss Rebecca Sini will be on leave next term from our school. We wish her well during her time away and hope she enjoys a well-deserved rest. Students and staff will enjoy some special treats next Tuesday to wish her well for Term 2.

Miss Alex Slattery will be here on Mondays and Tuesdays as Ms Sini's replacement. Miss Slattery has recently moved to our region and is looking forward to working with us in Term 2.

#### Interacted

Miss Kerr and I attended an interesting training event on Wednesday in Wagga from 8:15-5:30pm. All things technology were on the agenda and we listened to some extremely fascinating Key Note speakers from Apple, Google, Adobe, STEM SHARE and Microsoft.

At a World Economic Forum, business leaders were questioned about the most important skills necessary for students to thrive in 2020 and beyond. They formed the following list of Key Skills: 1 Complex Problem Solving, 2 Critical Thinking, 3 Creativity, 4 People Management and 5 Coordinating With Others.

Our heads are buzzing with excitement as we plan to engage the students more readily with 21<sup>st</sup> Century learning activities. These skills are an important part of the challenge for the future in everything we learn.

Enjoy the Easter Break
