Principal's Message

Dear Families,

Sustaining Our Health

Our theme is 'Sustainability' and we have been discussing how we need to maintain our health and safety. The students are enjoying learning about healthy food choices. They are also loving the healthy breakfast options that we have on offer everyday between 8:20am and 8:40am. The Meal Deal Day was a great success! Thank you to our parent helpers. We look forward to trying more healthy options in the coming weeks.

Sustaining Our Personal Safety

Students have been observed arriving or departing the school grounds without seat belts. Please be aware that this is not a choice but a necessity. If children are cycling or using a scooter they must have a helmet. The Highway Patrol have contacted the school and will be present from time to time. So please keep yourselves and our future little Australians Safe!

Principal
